Test Summary Report

The **Test Summary** report shows students' average scores, proficiency, and score groups for a specific assessment. The report also shows a breakdown of the class across the different score groups. Teachers can **choose to view the report by standard performance**, as well.

1. Choose the appropriate **section** from the **section drop-down menu**
2. Make sure the **District & Local Tests** tab is selected
3. Choose the **appropriate assessment name**
4. Click the **Test Summary** link
