Floor Plan – Level 02

An architectural rendering of a dining hall interior. The room features a series of round white tables arranged in rows, each with a light blue vase containing purple flowers. The ceiling is modern, with dark wood beams and long, recessed white light fixtures. The walls are a mix of light gray and dark wood paneling. On the left wall, there is a large graphic of a dome and the text 'HOLS' in bold black letters, with 'er Center' in a cursive font below it. A large window with a grid pattern is visible on the left. In the background, two white figures stand near a doorway. The overall style is clean and contemporary.

HOLS
