Dual Credit Requirements:

- A required 3.0 cumulative G.P.A. at the time of enrollment - If less than a 3.0 (2.5 – 2.99), students must have a signed letter from their parents and from the school's administration. 10th grade students must have a 3.0 G.P.A./signed letters. 9th grade students must have a 3.0 G.P.A. and score in the 90th percentile on the ACT (33 composite)
- Lincoln University requires an 18 on the ACT English for Course 101/102
- Lincoln University requires students to pass the math placement test in order to enroll in College Algebra and AP Statistics.

Nichols Career Center offers a variety of Dual Enrollment opportunities and Articulation Agreements.

Please visit www.jcschools.us/domain/2801 for more information.

Project Lead The Way Courses

<u>Biomedical Science</u>	<u>Engineering</u>	<u>Computer Science</u>
Principles of Biomedical Science	Introduction to Engineering	Intro to Computer Science(TBD)
Human Body Systems	Principles of Engineering	Computer Science Principles
Medical Interventions	Civil Engineering & Architecture	Computer Science A
Biomedical Innovations	Engineering Design & Development	Cybersecurity

Students who complete the requirements of their chosen pathway earn the AP + PLTW recognition, a qualification that demonstrates to colleges and employers that the student is ready for advanced work. To earn the recognition the student must do the following: 1) Satisfactorily complete three courses in the pathway (one AP course, one PLTW course, and a third course either in AP or PLTW) 2) Earn a qualifying score of 3 or higher on the AP exams and a score of Proficient or Advanced on the PLTW End of Course Assessments.

The College Board and Project Lead The Way are developing a portfolio of career-focused opportunities that will allow students to pursue work-based learning with leading industry partners. More details will be coming.
