### A Note From Nurse Gubbels

Each year, the school nurse presents a program on the subject of changes in adolescence, to the fifth-grade boys and girls. The boys and girls are in separate classrooms for this growth and development program. This program will be given on **November 22, 2024**. A link to the video that will be shown can be found on Nurse Gubbels' website at

<https://www.jcschools.us/Page/20975>

If you wish your student not to participate in this program or have questions about the program, please contact the school nurse at 659-3179 by **November 20, 2024**. If we don't hear from you, we will assume you want your child to participate in this program.
