October 14-18

Just a Little Note

I still have students that are not getting their homework reading logs turned in. Please remember that students are expected to read 100 minutes each week and turn them in on Friday.

I also want to remind you that your child should be showing their planner to you every day and it should be getting signed or initialed and sent back to school the next day.

Shout Outs!

We have a couple students working hard earning AR points for reading awards.

Cub Reader: Kevin

Lion Reader: Gabe

King of Reading: Fay

There is still one week left to earn points for reading awards.

Happy Birthday!

October 3: Madison
