September 16-20

Just a Little Note

Next week I will be sending home a reminder list about Thursday's field trip. Please remind your child that they are to treat our adult volunteers with respect and listen to all of Coach Terpstra's expectations for the field trip.

Thank you to all the volunteers that are helping out. Your child has a note for you about your expectations and the students that will be in your group for that day. If you have any questions, please let me know.

Shout Outs!

Students are already hard at work taking AR quizzes to earn points for quarterly reading awards and to attend the BINGO Bash at the end of the month. Students must read and pass quizzes on 5 books to form a BINGO to join us. I hope everyone makes it!

Happy Birthday!

September 4: Rylee

September 28: Harper
