Sept. 30-Oct. 4

Just a Little Note

Next week we will be taking our first end of unit assessments.

Students will be bringing home their science notes to study to help them prepare for our Unit 1 Science test on Monday, September 30.

Monday we will be reviewing for our Unit 1 Math test that we will take on Tuesday, October 1.

Shout Outs!

We have a couple students working hard earning AR points for reading awards. Gabe is a Cub Reader and Fay is a Lion Reader. Way to go!

Kevin, Fay, Ezekiel, and Harper have completed reading bingos for the month of September so far. Students still have until the end of the day on Monday, September 30 to take their quizzes and qualify.

Happy Birthday!

October 3: Madison
