

## Jefferson City Public Schools' Surplus Property

December 2018

The Jefferson City Public Schools has the following items to declare surplus:

- 1-PEXTO 36" Slip Roller (36021) - inoperable and should be recycled
- 1- ENCO 52" Shears - inoperable and there are no replacement parts available
- 1- Johnson Natural Gas Forge - (Will not be reused in new classroom, still in good condition)
- 1 - No known brand 10" Metal Chop Saw on Stand - operable but unsure of condition
- 1 - Minitex Metal Lathe (36038) - was converted from CNC previously, extremely poor condition
- 1 - Lincoln MIG welder (36008) - extremely poor condition, parts to fix cost more than new welder, should be recycled
