NUTRITION

MEALS DURING EXTENDED CLOSURE

Students can now pick up breakfast, lunch AND dinner through a collaboration with Boys & Girls Club of Jefferson City! Meals are offered to students ages 2-18 during the extended school closure. Beginning April 2, there will be two ways for students to get meals -- Grab 'N Go/Drive-Thru Meals at various school locations or at bus stops. For the bus stop option, eight buses will run routes with multiple stops on Monday-Friday. Bus stops are not school specific, but rather designed regionally to include as many high-need areas as possible.

GRAB 'N GO MEALS

Grab 'N Go/Drive-Thru Meal service will continue throughout the extended school closure. Meals are offered from 11:30AM to 1:00PM at the following locations:

- East Elementary
- North Elementary
- Pioneer Trail Elementary
- South Elementary
- Thorpe Gordon Elementary
- West Elementary
- Lewis & Clark Middle School
- Thomas Jefferson Middle School

UPDATED: 4/9/20

BUS STOP MEALS

New bus stops added based on data from the first two weeks of Mission Nutrition. Please find the stop closest to you and go there at the designated time. Students ages 2-18 years of age can obtain a meal regardless of previous eligibility status. Stops will last approximately 15 minutes, and buses may run a few minutes outside of the designated time. We ask that you practice social distancing while at the stop.

All meals will be packed as a Grab 'N Go bag. Students may select a breakfast sack meal and one milk plus a lunch sack meal and one milk. Dinner items will come with basic instructions for later preparation. Meals contain mostly non-perishable items. Please adhere to disposal and refrigeration instructions for perishable items. Federal regulations require that the student be present in order to obtain the meal.

If your student has mobility concerns (or the parent has mobility concerns) that prevent them from getting to meal drop-off locations, another trusted adult may come to the drop-off location and pick up the student's meals.
