SUMMER UPDATE

MEET THE TEACHER

Hello new third graders and their families! My name is Maggie Scott, and I will be your child's teacher next year. I graduated from Arkansas State University in May of 2019. I am currently enrolled at Mizzou to get my Master's Degree in Teaching, Learning, and Curriculum.

Just a little about me... I am originally from a small town in Arkansas. I moved to Jefferson City in June of 2019. Last year was my first year teaching and my first year at Cedar Hill. Last December, I also married my wonderful husband, Hunter Scott.

I look forward to another exciting year at Cedar Hill this year and getting the opportunity to know and teach all of your wonderful students!

CLASS DOJO!

Our class will be using Class Dojo as the primary means of communication. Feel free to go ahead and download the app Class Dojo, and I will provide the code for you to access all things our classroom at a later date!

The District supplies a school supply list every year. I have a ton of supplies leftover from last year, so please look at my list prior to purchasing anything! Please note, if requirements change for school supplies due to COVID-19, then I will update items as needed!
