SCHOOLS TRANSPORTED: JEFFERSON CITY ACADEMIC CENTER**

**2024-2025**

---

During the winter months it may become necessary to alter school bus routes when road conditions become hazardous because of snow or ice. Roads with potentially dangerous conditions will be avoided. Alternate stops have been established along these routes for students to meet their bus and in some areas, it may be a necessity for parents to take their children to these points. Changes are made for the safety of all students concerned. Drivers must continue to use their good judgment in deciding if a road or street may be safely traveled.
