Frequently asked questions

Do I need to answer any health questions to enroll?

If you contribute to the cost of your insurance, you may need to complete health questions if you don't elect coverage when it's first available to you and you want to elect at a later date, or if you want to increase coverage. To answer health questions, please fill out our Evidence of Insurability Application. Health questions must be approved by Sun Life before coverage takes effect. Please see your Certificate for details.

How do I file a Short-Term Disability claim?

If you become disabled after the effective date of coverage, check with your employer to make sure you are eligible for benefits. You can file a claim with us by downloading forms from our website. We'll ask you and your doctor to provide information about your medical condition and your expected recovery.

How do I qualify for benefits?

You'll start receiving disability payments if you satisfy the Elimination Period (see "When benefits begin" in the table) and meet the policy's definition of disability. Generally, disability is defined as your inability to perform some or all of your job duties due to your injury, illness or pregnancy and may require that you have also had a certain percentage of earnings loss due to your disability. Please see your Certificate for details.

What if I have a pre-existing condition?

If you become disabled within 12 months of your insurance taking effect or 12 months following any increase in your amount of insurance, we will not pay any benefit for any pre-existing condition. A pre-existing condition includes anything you have sought treatment for in the 6 months prior to your insurance becoming effective. Treatment can include consultation, advice, care, services or a prescription for

drugs or medicine.

If you become disabled, and there is a question about whether the disability is caused by a pre-existing condition, we will pay 25% of your gross benefit for up to 4 weeks. If we conclude your claim is due to a pre-existing condition, no further payment will be made. If your disability is not due to a pre-existing condition and your claim is approved, you will receive the balance of any benefit due.

Can I work while I'm disabled?

Your plan is designed to encourage and support your return to work. If you are able to work part-time, for example, you may receive part of your benefit while working.

Will income from other sources affect my benefit?

Your benefit may be reduced by Social Security benefits; disability benefits from retirement, government plans or state disability income such as California SDI; state paid family and medical leaves; other group disability plans; no-fault benefits, salary continuance or sick leave; and return-to-work earnings. For more information or to determine if this coverage is appropriate for you, contact your benefits administrator.

How is my benefit taxed?

If you or your employer pays for all or part of the cost of coverage on a pre-tax basis, all or part of your benefit amount will be Form W-2 taxable income. In these situations, FICA tax deductions may reduce the amount we will pay you.

Can I take my insurance with me if I leave my employer?

Depending upon state variations and your employer's plan, you may have an option to continue group coverage when your employment terminates. Your employer can advise you about your options.

The group disability insurance policies described in this advertisement provide disability income insurance only.
