

Erin Carl Memorial Scholarship

Erin Carl believed in the future of agriculture and proved so with her deeds. Miss. Carl was a teacher, an enthusiast, and a promoter of Agricultural Education. Miss Carl was the Nichols Career Center Agriculture and Natural Resources instructor and FFA advisor for 15 years. As the FFA advisor, she very proudly wore the title of "the owl" and was always willing to give her time-honored wisdom and advice to all. Miss Carl was passionate about sharing her love of ag and FFA with students in a community that might not otherwise be typically involved, broadening their experiences. Consummately organized and positive, Miss Carl believed in every student and in the future of agriculture. This scholarship has been created in her honor and memory to help aid students of similar conviction and integrity in their pursuit of agricultural study.

A minimum of 1 scholarship in the amount of \$500-1000 will be awarded each year. Scholarship is a one time award.
