Student Council will be selling Valentine grams the week of February 10th-14th. Students can buy a ring pop or rice krispy treat for \$0.50 each and send them to a special friend. Items may be purchased in the morning before morning announcements!

COUNSELOR CORNER

Monthly Character Trait
Honesty

When you speak and act truthfully.

Zones of Regulation

Size of the Problem

Size of my feelings should match the size of the problem. Little problems should have little reactions.

HIGHLIGHT Grade 5

Go CHIEFS!!

5th graders are currently working on a biography project. These biographies will be presented through a Living Museum to other grade levels and community members! We are continuing to work with nonfiction and are moving into our fraction units while studying plants in science.

The Cougar Pride

February 3, 2020

Community Health Center of Central Missouri will be bringing their Mobile Dental unit to Callaway Hills on Tuesday and Wednesday, Feb. 18th and 19th. Paperwork to apply to see them should have already been turned into the School Nurse if you wanted your child to be seen. Students whose applications are approved will receive an exam, x-ray, cleaning and fluoride. Depending on what your child needs, they will also do fillings, sealants, child root canals (baby teeth), child crowns (baby teeth) and some extractions. This is a great opportunity for your child to get their dental needs taken care of here at school so that they do not miss as much school time.

At the end of the visit, your child will receive a detailed summary of what treatment was performed and if any follow up is needed.

If you have any questions you can reach the CHC offices at 573-632-2777

SAVE THE DATE!
Family Game Night
March 19th 6-7pm

Would You Rather Wednesday
50 cents a day to participate

- **Wednesday, February 5th:** Wear your favorite hat **OR** favorite sunglasses to school.
