## Kindness and Compassion

Doing something nice for someone, wanting to help others in their time of need.

## If you see BULLYING

**Report** the bullying to an adult.

**Refuse** to let bullying happen by using a strong respectful voice.

**Support** the person being bullied.

## First Grade Spotlight

First grade is reading, reading, reading (and more reading!) in hopes of achieving our end-of-quarter Level G goal. We are tracking weather data and the students are enjoying analyzing the weather and space patterns that we can observe. We are gearing up to work on subtraction strategies in math as well. We are having a blast!

## Holiday Adventures in Music

*"The best way to spread Christmas cheer is singing loud for all to hear."*

-Dr. Seuss

Fifth Grade is in the process of preparing for our Annual Caroling Tour, which will take place on Thursday, December 19th. We will spread our Christmas cheer at some local nursing homes and businesses during the morning hours of our last full day before break. This is something we always look forward to!

## Library News

Library books are checked out for 2 weeks. Please help remind your child that books need to be returned to the library. Unfortunately, we have had several cases of lost or damaged books this year. Library books are something that everyone in our entire school uses. Together we can keep our books nice for the next student to use.

## Annual City of Holts Summit Christmas Parade & Tree Lighting

Sat, Dec 14

4:15 - 7:00 pm

Parade begins at 282 S. Greenway Drive & finishes at the plaza with free kids activities.

## Books for Christmas

As partners in reading education, Callaway Hills would like to offer our families the opportunity to pick out books as presents. We will have the books, wrapping paper, and tape. All free of charge. Come to school on Dec 16 between 4-6pm to participate.
