

# American History Class

## *A Quick Overview*

This American History class will cover nearly all major historical topics involving the United States between the years of 1865 and Present Day. Broken down into eleven units, students will be asked to remember key historical events, understand their significance, and apply their significance to the modern world.

In order to succeed, students should be prepared to participate in all of the following:

- Daily note taking
- Reading Assignments
- Group work
- Class discussion
- Quizzes and tests
- Creative projects
