

# World History Class

## *A Quick Overview*

This World History class will cover over 1000 years of history. Beginning with the early 1000's, this class will start with the crusades, working its way through discovery, enlightenment, multiple wars and revolutions, and dynasties. Nearly every corner of the world is mentioned in this class.

In order to succeed, students should be prepared to participate in all of the following:

- Daily note taking
- Reading Assignments
- Group work
- Class discussion
- Quizzes and tests
- Creative projects
